GOVERNMENT OF PUNJAB

DEPARTMENT OF MINES & GEOLOGY

E-Auction Notice

The 7th August, 2019

Vide Notice No./3810.-WHEREAS the State of Punjab had formulated and issued the Punjab State Sand and Gravel Mining Policy, 2018 [**the Mining Policy, 2018**] consequent to which the Punjab Minor Mineral Rules, 2013 [**the 2013 Rules**] formulated by the State Government under the Minerals (Development & Regulations) Act, 1956 [**the 1956 Act**] were amended vide notification dated 22nd October, 2018 [**the 2018 Amendment**];

AND WHEREAS, further to the above, earlier E-auction notice dated 31.10.2018 for auction to be held on 14.12.2018 was issued which date of auction was further deferred to 27.12.2018 vide corrigendum issued on 13.11.2018

AND WHEREAS the Mining Policy 2018 as well as E-auction Notice dated 31.10.2018 came to be challenged before the Hon'ble High Court of Punjab & Haryana in CWP 31002 of 2018 [and other connected matters] which petitions were disposed off vide common order and judgment dated 23.04.2019 upholding the Mining Policy 2018, quashing the E-auction notice dated 31.10.2018, and further *inter alia* directing the State Government to “issue a fresh auction notice by defining the mining areas”.

AND WHEREAS the present E-Auction notice is being issued in terms of the said judgment of the Hon'ble High Court of Punjab & Haryana dated 23.04.2019, the Mining Policy 2018, the 2013 Rules as amended by the 2018 Amendment and more particularly Part D inserted by such 2018 amendment, for auction of the Mining Blocks set out in **Annexure A** of the mining areas in **Annexure B** on the time Schedule set out below and on the following terms and conditions set out hereinafter:

SCHEDULE

Activity	Date
Start date for Registration of Bidders and upload of documents/EMD payment	08-08-2019 10.00 AM
Last date for upload of Documents / EMD payment	29-08-2019 3.00 PM
Uploaded documents/EMD payment approval start date	30-08-2019

Uploaded documents/EMD payment approval end date	30-08-2019
Date of e-auction	02-09-2019 11.00 AM To 1.00 PM

TERMS & CONDITIONS FOR E-AUCTION: -

1. Submission of Bid/ Participation:

- a. Each bid shall be submitted online through e-procurement website www.etenderpunjabgovt.gov.in of Punjab Govt.
- b. To participate in the e-auction, prospective bidders shall have to get themselves registered with the e-Procurement portal (<http://etender.punjabgovt.gov.in>) and obtain user ID and password. Class 3 Digital Signature Certificate is mandatory for participating in the e-auction process. The user ID shall be activated after submission of attested copies of:
 - i. identity proof
 - ii. address proof
 - iii. pan card
 - iv. request letter for user ID activation on letterhead

2. Site Visit/Selection of Mining Areas:

- a. The prospective bidder at his own level and expenses can visit the mining areas (**Annexure B**) in a particular mining block (**Annexure A**) to satisfy himself as to the feasibility of conducting mining operations in the mining areas located in the said mining block and also satisfy himself regarding quantity of minor mineral to be extracted from the mining block he plans to bid for.
- b. Such prospective bidder may then select from such mining areas (**Annexure B**) such mines as he may find suitable and/or feasible in such manner that the total estimated quantity of sand from such mines so selected is equal to the concession quantity being made available by the State with respect to the mining block which the bidder intends to bid for (**Annexure A**).
- c. The prospective bidder/ contractor will arrange for all infrastructural requirements such as right of way etc. and obtain all clearances before starting the mining operations.
- d. When the mining is to be carried out in the river bed, the contractor shall intimate it 7 days in advance to the Chief Engineer, Drainage and carry out the operation such that it doesn't affect the flow of river or damage embankments and will ensure that sand excavation is carried out strictly in accordance with advice of the Chief Engineer, Drainage in this regard.

3. Fees, EMD, Undertaking, Documents:

- a. The prospective bidder shall deposit the Fee for Participation in E-auction and EMD through a designated bank account which should be in his name (or Company/firm). After completion of e-auction, the payment of 1st installment and security amount should be paid by the successful bidder only through this designated bank account and he will not be allowed to deposit any amount from any account other than designated bank account. The prospective bidder shall give the details of this designated bank account in his undertaking.
- b. Prospective bidder shall deposit the EMD on the e-procurement website through e-payment gateway as described in the column No. 6 of (**Annexure A**) for mining block he plans to bid for. In case the EMD deposited is less, then he will not be allowed to participate in the e-auction.

- c. If prospective bidder deposits EMD from the bank accounts other than his designated bank account, then he will not be allowed to participate in the e-auction.
- d. The prospective bidder shall deposit Rs. 10000/-(Rupees Ten thousand only) Non Refundable as Fee for participation in E-auction along with EMD and processing Fee.
- e. Prospective bidder can upload/deposit the Fee for Participation in E-auction, EMD and undertaking can be deposited/ uploaded from 08.08.2019 (10.00am) to 29.08.2019 (3.00pm).
- f. Prospective bidder shall upload the following documents:
 - i. MS Excel undertaking (**Annexure C**) on the e-procurement web site www.etender.punjabgovt.gov.in for participating in the e-auction. This undertaking shall be downloaded from the e-procurement website only. The bidder shall not be allowed to participate in the auction if undertaking is not uploaded as per requisite pro-forma or giving incomplete information or upload the blank undertaking.
 - ii. An undertaking that he shall ensure the presence of Site Manager(s), a JE level officer (Diploma in Civil/Mechanical/Electrical Branches preferably) and Software professional(s) at all mines.
 - iii. Documents showing ownership/ an undertaking that they will obtain or hire the requisite machinery for the Mining Block he plans to bid for as given below:

Machinery Required	Annual extractable material			
	Upto 10 lac MT	Upto 20 lac MT	Upto 30 lac MT	Upto 40 lac MT
1. No of chain mounted excavators with 0.9 cum capacity*	10	20	30	40
2. No of tractor mounted sprinklers	5	10	15	20

Number of excavators shall increase or decrease depending upon the bucket capacity of machine.

- iv. Copies of Audited Final Accounts (Balance Sheet and Profit and Loss Account) / Income tax returns for last three years to verify turnover, along with Statement of designated bank account duly signed by the bank.
- v. Copy of PAN card.
- vi. Undertaking that Applicant/Firm is not defaulter in the payment of any dues of State Government/Govt. of India and he is not in legal dispute with the State Government as regards payment of any dues under the 2013 Rules or any previous mining contract and is not involved in any criminal case.
- vii. An undertaking that he has read with and agrees with the terms of this E-auction notice and the conditions set out therein.
- g. All the documents must be attested by authorized signatory. The documents must be submitted by individual/proprietor, society, partnership firm, company, consortium etc. as applicable to the entity. In the event of delay in submission of aforesaid documents or submission of incorrect documents the bidder shall be solely responsible for delay in user ID activation. All bidders are advised to register well in advance to avoid last-minute delays. For more details regarding registration process kindly refer to registration guidelines on the e-procurement website www.etender.punjabgovt.gov.in.

- h. The training for participating and submission of bid shall be given to the prospective bidders. The scheduled date and time of this training shall be uploaded on the etender.punjabgovernment.gov.in website.

4. Eligibility:

- a. Registered companies, partnerships, societies including co-operative societies, sole proprietorships, individual and consortia of upto three such entities shall be eligible to participate subject to fulfillment of the eligibility criteria.
- b. Prospective bidder participating in the e-auction should not be black listed as on the date of auction for participating in the e-auction by any department. Despite this, if he deposits EMD for participating in the e-auction, the EMD deposited will be forfeited and he will not be allowed to participate in the e-auction.
- c. The average annual turn-over of the bidder during the last three financial years ending 31st March shall not be less than 50% of the reserve price of the Mining Block he plans to bid for. In the case of Consortium, the combined technical and financial capacity of all the members shall be considered for the eligibility.
- d. Any individual/company/firm etc. who is in default/ legal dispute as regards payment towards Government dues under Punjab Minor Mineral Rules, 2013 will not be eligible for participating in the e-auction.
- e. On the date of verification of documents uploaded by the bidder, his eligibility to participate in the bidding process shall be ascertained and the ineligible bidders shall not be allowed to participate in the bidding process.

5. Reserve Price:

- a. The reserve price for a Mining Block shall be fixed by multiplying the concession quantity by Rs. 86 per tonne which includes the statutory dues amounting to Rs. 60 as royalty, Rs. 20 as District Mineral Foundation Fund and Rs. 6 as Environment Management Fund but excludes the land compensation payable @ Rs. 60 per tonne which shall be paid by the concessionaire to the landowner;
- b. Every bidder shall deposit 0.1% of reserve price as shown in column No. 5 of Table A of the mining block in question (which shall be minimum Rs. 500/- and maximum Rs. 5000/-) as processing fees along with GST @ 18% of above processing fees through e-payment gateway of e-procurement website. This amount shall not be refundable. In case the processing fee deposited is less, then he will not be allowed to participate in the e-auction.

6. Process of Bidding:

- a. The e-auction for award of mining rights shall be conducted will be done block wise for the mining areas there under, through progressive bidding process where every interested prospective bidder can bid, starting from the reserve price of any mining block or higher.
- b. The bid parameter for a Mining Block shall be the *Annual Concession Value* but excludes the land compensation.
- c. Bidder shall bid at reserve price or above with minimum incremental bid of Rs. 5,00,000 at a time. Every subsequent bid shall be higher, than the last bid and eventually the highest bidder wins the concession. Further , in order to avoid mistakes while bidding, the upper limit of

increment during the bidding process of the Block will be limited to 5% of reserve price i.e. Rs.1,50,00,000/- (one crore fifty lacs only)

- d. If the bid is received in the last 5 minutes of the above shown date and time then time for bidding will be automatically extended for 5 minutes, so that the bidders participating in bid can get equal chance. The maximum extension of 5-5 minutes shall be up to 2 hours.
- e. During e-auction if any bidder violates any rules then he will not be allowed to participate in the e-auction and his EMD shall be forfeited. If Director decides that the violation is serious then he may prohibit the bidder to participate in e-auction for up to 3 years.
- f. The Director reserves the rights to cancel any bid given by the bidder, to annul the bidding process and reject all or any of the bids at any time or to exclude any mining block from the auction and this being in the realm of contract, there shall be no obligation to communicate such reasons to any bidder.

7. **Provisional Acceptance, Award of Concession:**

- a. The provisional acceptance shall be issued by the Government in the name of successful bidder within 2 days. The successful bidder shall deposit @ 25% of annual concession value as first installment from his designated account within seven working days from the date of issue of provisional acceptance, through designated bank account by RTGS/NEFT in the Departmental account of Executive Engineer-cum-Divisional Mining Officer in-charge of the mining block as given in **Table A**. If the successful bidder does not deposit the requisite amount within the stipulated time (within seven working days, up to 5.00 pm after issuance of provisional acceptance) then the EMD deposited by him will be forfeited and he will be prohibited to participate in the coming e-auctions for next 3 years.
- b. The successful bidder shall deposit security amount through RTGS/ NEFT in the account which will be intimated to the successful bidder. It may also be given in the form of bank guarantee. In case the successful bidder fails to deposit this amount (within seven working days, up to 5.00 pm after issuance of provisional acceptance) the earnest money deposit shall be forfeited and he will be prohibited to participate in the coming E-auction for the next 3 years. The security deposit is 25% of annual concession value in case the bid is up to 150% of the reserve price and 50% in case bid is above it. The security amount will be adjusted in last installment(s) provided there are no other dues to be recovered.
- c. The earnest money (EMD) of the successful bidder shall be adjusted against the first payment(s) due from him.
- d. The EMD of the unsuccessful bidder shall be refunded within seven working days of provisional acceptance of the bid. This amount shall be refunded to the designated accounts through which the bidder remitted the EMD.
- e. The successful bidder of mining block shall execute & register the concession/contract agreement in FORM L-1 as per Rule 42G of the 2013 Rules (as amended by the 2018 Amendment) within 15 days of issuance of provisional acceptance. The stamp duty shall be borne by the successful bidder.
- f. In case of non-compliance of aforesaid condition, the provisional acceptance of the bidder shall be cancelled and his first installment and Security deposit shall be forfeited and the bidder shall be blacklisted for 3 years and the fresh auction of mining block shall be held.

- g. The concessionaire shall deposit Environment Performance Guarantee @ Rs.15,000/- per acre within 30 days from the date of execution of concession agreement with the Mining Officer, in shape of FD/Cash/DD/Bank Guarantee having validity of 6 months over the concession period.
- h. In addition to the annual concession value, the concessionaire shall deposit the quarterly land owner compensation in the bank account of Central Government/State Government/Panchayat/Private landowners @ Rs. 60/- per tonne through cheque as per the extraction done. The same shall be informed to the Mining officer while producing the evidence. In case of violation, the concession shall be cancelled as per the 2013 Rules (as amended) and the concessionaire shall be blacklisted for a period of three years.
- i. In case government implements Punjab sand portal or any other IT solution, the bidder will be liable to pay Rs 2.0 per tonne in addition to all other expenses.
- j. The concessionaire shall be bound to deposit T.D.S under Section 206-C(IC) of the Finance Act, 2004. Every concessionaire shall be bound to supply the Pan Number (for Income Tax) and GST Number (for GST) to the concerned Mining Officer.
- k. The successful bidder shall be awarded the mining concession for a period of three years at a lump sum price quoted by him called annual concession value which will be increased by 7% for each subsequent year.
- l. The concession period shall be counted from completion of all formalities including taking environmental clearance or 4 months from date of award of contract, whichever is earlier. The concessionaire shall be responsible to ensure at least 40% of the annual concession quantity is excavated in first year and 60% in each subsequent year. In case of failure to do so penalty equal to 20% of concession value of the shortfall will be payable by the concessionaire at the end of respective year before further mining is allowed. However, the quantity of material extracted in a year shall not exceed 35% in April to June, 15% in July to Sept, 35% in Oct. to Dec. and 30% in Jan. to March.
- m. The Government may accept the concessionaire's request for surrender of a concession subject to the condition that 75% of the security deposit shall be forfeited.

8. Environment Clearances:

- a. In order to facilitate the statutory Environmental and other clearances, Divisional Mining Officer and Executive Engineer at the Headquarter level shall act as Nodal authority. The timelines, as per EIA notifications dated 14.09.2006 and 15.01.2016 issued by Ministry of Environment, Forests and climate change are as below:

Sr. No.	Process	Time required for Category A and B mines, as prescribed by MoEF& CC Notification	Mines upto 5 Hectare
i)	Information in form 'I', Pre-Feasibility Report and Mining plan	1.5 month	1.5 months
ii)	Approval of Terms of Reference	2 months (1.5+2= 3.5 months)	NA
iii)	Study of Terms of Reference	3 months (3+3.5= 6.5 months)	NA
iv)	Public Hearing	1.5 months (6.5+1.5= 8 months)	NA
v)	Preparation of EIA/EMP	1 month (8+1= 9 months)	1 month

vi)	Recommendations by EAC/SEAC for grant or refusal of Essentiality Certificate(s)	2 Months (9+2= 11 months)	15 days
vii)	Final decision to grant or reject Essentiality Certificate(s)	1.5 months (11+1.5= say 12 months)	15 days
Total		12 months	3.5 months
b.	It shall be the responsibility of the concessionaire to follow up and obtain the clearances in time.		
c.	The concessionaire shall arrange to get environment clearance by way of transfer from Government or otherwise and shall make the mine so identified by the Government operational in the most expeditious manner.		
d.	Successful bidder shall deposit the money paid by the Government for obtaining Environmental clearance of mines located in the mining block allotted to him within 30 days from date of execution of agreement, in the Government Treasury if he wishes to operate these mines with prior environmental clearance.		
e.	The conditions mentioned in environment clearance shall be binding on the successful bidder/concessionaire.		

9. Allocation of Additional quantity:

- a. In case government feels the need to increase supply of sand in the State beyond the concession quantity it will extend an offer to all concessionaires in the State, to increase the balance concession quantity of that year by upto 50% on payment of proportionate additional concession amount. Those interested may avail it.
- b. Where the existing concessionaire is not interested, it would be open to the State to invite fresh bids for that block for the additional quantity. Subject to other conditions of the contract, keeping in view requirement or for other justifiable reasons, department may amend the mining areas given in **Annexure B**.

10. Cap on sale price:

- a. Both sand and gravel shall not be sold by the concessionaire at the mining site at more than Rs.9 per cubic feet which includes cost of loading on the vehicle.
- b. Maximum rates linked to distance that can be charged per cubic feet for transportation of sand and gravel will be notified.
- c. Maximum rate of Sand and Gravel chargeable from the end customer will in no case exceed the sum of above said two rates.
- d. The concessionaire will dispatch sand and gravel through only those transporters who agree to transport it at so notified or less rates.
- e. Violation of any of the above terms of this Clause result in cancellation of the concession and forfeiture of the security amount.

11. Site regulatory measures:

- a. The successful bidder/contractor shall be bound to install boundary pillars for demarcation and fix the bench marks for regulation of depth of excavation at site at his own expenses;
- b. The successful bidder/contractor can start the excavation from the mining block only after the execution of concession agreement and obtaining all necessary statutory and non-statutory clearances and installing electronic weigh-bridge.

-
- c. The concessionaire shall put up notice board at the pit head of every mining site showing concession details like khasra Nos., quarry map, per annum quantity allowed, timing allowed for mining activity, concession period etc. and contact detail of concerned Deputy Commissioner, Mining Officer, and concessionaire etc. so that any person can give complaint if any.
 - d. The concessionaire shall install electronic weigh-bridge at the pit-head of every mine integrated with central server to be operationalized, for measurement of minor mineral in that very condition in which it has been excavated and shall be measured and whatever mineral is excavated during last 24 hours shall be entered in the Accounts Register. The concessionaire shall allow the government employee near the weight machine so that he may check the register of measuring weight etc. by the concessionaire.
 - e. The weighment slips for transportation of sand will have the security features like bar codes, QR codes and will be stamped with date and time along with all other information. The vehicles will be tracked by way of GPS/RFID tags. All vehicles carrying sand shall mandatorily carry the weighment slips for transportation of sand.
 - f. The electronic weigh-bridge of each mine will be integrated with a central server. Any vehicle found carrying sand without proper weighment slip shall be liable to be seized under the provisions of the Mines and Minerals (Development and Regulation) Act, 1957 or the rules made there under.
 - g. All vehicles which shall be used for transportation of sand, will be registered on the sand portal when the Punjab Sand Portal is operationalised. These vehicles shall have Hologram, GPS Tracking and other marking facilities. The consumers shall be able to hire vehicles online, on payment of freight charges at the rates fixed according to length of the transportation. The list of all the registered vehicles along with their contact details shall be displayed for the customers to place orders for transportation.
 - h. The concessionaire shall send details of each measured vehicle electronically to concerned mining officer in prescribed form-T and the mining officer after verification of the said details issue slip electronically in prescribed form-T, which shall be downloaded by concessionaire and shall be used for transit of loaded minor sand mineral.
 - i. Geo-tagging of the mine area will be carried out while conducting physical inspection as the boundary of the mine will be checked using the coordinates recorded in GPS device, and the monitoring team can check whether any mining activity is going on outside the permitted area or not.
 - j. It shall be the responsibility of the concessionaire to level the pits, ditches, restore physical, chemical and biological quality disturbed by the mining to a level acceptable to all concerned simultaneously after carrying out excavation work as per conditions of mine closure plan so that there may not be any untoward incident. The concessionaire must leave the area in such a way that rehabilitation does not become a burden to the society after mining operation is over. It must also aim to create as self-sustained ecosystem.
 - k. No excavation work of minor mineral shall be carried out at protected reservoir or any forest area.
 - l. The mining operation shall be undertaken in a scientific and systematic manner i.e. mining operation should be consistent with the approved mining plan.

- m. The District mineral Foundation along with Mining Officer and District Nodal Officer (ADC, SP(D)) and interdepartmental level teams shall keep check on the mining activities.

12. Other Regulatory Measures:

- a. The Department is in the process of implementing an Online Punjab Sand Portal and sale of sand to all consumers, small, medium or large, will be through online and Offline mode. All transactions/payments will be captured through an online real time monitoring system. Sale of sand will be controlled by electronic documentation linked to a central documentation monitoring facility and upload daily progress report on the portal.
- b. The concessionaire of each block shall have to notify rate of sand on this portal. The summary of online order, quantity of available sand at mine shall be available on portal. Punjab Sand Portal shall be a facility available to consumer and act as an MIS for the department and concessionaire. The Online and Offline mode shall be allowed for sale of sand from the mines/ sand yard. A mobile app shall also be launched for booking of orders by consumers. Online orders could be booked from Divisional Mining Office or Sub-Divisional Mining Office.

13. Other mandatory conditions:

- a. The prospective bidder/ Contractor shall comply with the provisions of the Water (Prevention & Control of Pollution) Act, 1974, Air (Prevention & Control of Pollution) Act, 1981, Environment (Protection) Act, 1986, Punjab Land Security Act, 1900, Indian Forest Act, 1927, Wild Lives (Preservation) Act, 1972, Mines Act, 1952, Mines and Minerals (Regulation and Development) Act, 1957, Forest (Conservation) Act, 1980, Metalliferous Mines Regulation, 1961, Environment Clearance, Environment Management Plan, and Punjab Minor Mineral Rules, 2013 (as amended) as well as any conditions imposed by the environmental clearances.
- b. The prospective bidder/ contractor shall also comply with the Mining Policy 2018, the terms of this auction notice as well as the L1 Form statutory contract.
- c. In the event of violation of any of the above the contract can be cancelled by giving sufficient opportunity or without giving notice in case of any emergency by competent authority and the amount deposited by the bidder/ contractor at the time of auction on account of security can be used for the above said purpose.

14. Governing Law/ Change in Law:

- a. The Mining Policy, 2018, the proposed concession agreement in Form-L1 under the 2013 Rules (as amended in 2018) has been read and understood by the prospective bidder/ contractor and shall be treated as part and parcel of this document.
- b. In case any amendment is made in the 2013 Rules, or any other government rules, instructions, notification, circular are amended and/or issued, during the concession period, the same shall be binding on the contractor and shall be deemed to be part of this document and any contract executed with such contractor.

15. Rights reserved to the State Government:

- a. The bidders and their representatives shall observe the highest standard of ethics during the bidding process and subsequent to the grant of the mining concession. Notwithstanding anything to the contrary contained herein, the Government may reject a bid, withdraw the mining concession, as the case may be, without being liable in any manner whatsoever to the bidder or to the successful bidder, as the case may be. If the Government determine that the bidder or the successful bidder, as the case may be, has, directly or indirectly or through an agent, engaged in any corrupt fraudulent practice, coercive practice, undesirable practice or restrictive practice

in the bidding process or subsequent to allotment, in such an event, the Government shall be entitled to forfeit and appropriate the EMD or Performance Security, as the case may be, as damages, without prejudice to any other right or remedy that may be available to the Government under the auction notification and/ or otherwise. However, before taking such an action, opportunity to show cause shall be issued to the affected parties in order to comply with the principles of natural justice.

- b. The State reserves the right to take up de-siltation projects, in such allocated mining blocks, to maintain the river flow, safeguard the embankments and habitations along the rivers on account of geo-technical and hydrological considerations.

16. Currently operated mines/ Pending Litigation:

- a. The mines which were previously auctioned and are currently under contract (without legal dispute) shall continue to operate till the completion of their tenure and shall be excluded from the mining rights to be auctioned under this policy.
- b. Certain mines earlier auctioned under the old reverse bidding policy, which are the subject matter of pending writ petitions before the Hon'ble High Court, where interim orders in favour of continuance of such contracts have been passed, without leave/directions for further auction of these mines (unlike as in order and judgment dated 23.04.2019 in CWP 31002/2019) are also excluded from this auction process;
- c. If/ as and when the above mines are released from the tenure of such contracts / the pending litigation in question, it shall be open to the State Government to include these in further/ future actions of such mines.

For any clarification regarding the auction process the bidders may kindly contact at the following Mobile Numbers:

Sr. No.	Name	Designation /District	Mobile No.
1	Manoj Bansal	Executive Engineer (HQ),	98782-61133
2	Gurpreetpal Singh	Executive Engineer-cum-District Mining officer, Mohali, Patiala, Fatehgarh Sahib	98885-89194

Detailed information regarding e-auction can be downloaded from the website www.etender.punjabgovt.gov.in hereinafter called e-procurement website or can be collected from the office of concerned Mining Officers, on any working day.
